## SAINI GROUP OF COMPANY

[www.sainiindia.co.in](http://www.sainiindia.co.in)

**30** Years

## ABOUT SAINI INDIA PVT. LTD.

As an eminent name SAINI Group of Companies has been in the industry since **1989**, in **Surat City in Gujarat**.

Headed by its Founder Late Shri. **S.L. Saini**, the entire business affair of the group have been looked after by the family members supported by a **150+ Strong Team** consists of an efficient and dedicated technicians.

Our company SAINI INDIA LIMITED is an ISO 9001:2015 certificated company.

**Saini India Pvt.Ltd.** a mechanical engineering company, have been in this field for the last 30 years executing various jobs involving Mechanical Construction Jobs (Piping & Structural), Shutdown Jobs for Process Plants, Maintenance Jobs for Process Plants & Fabrication of Pressure Vessels.

Company has successful track record in the field of Construction of Refineries, Shipping, Petrochemicals, Fertilizers, Steel & Metallurgical, Chemical, Oil & Gas, Power, Cryogenic and other core industries and it stands a testimony of safety record & employee skills needs no further emphasis.

**ENGINEERING & CONSTRUCTION**

**Late Shree S.L. Saini**  
(Founder Chairman)

Our Founder Chairperson Shri. Shankarlal Saini has the long vision in power field and started his business in 1989 with slow speed power generator which is called Marine Power.

After that he entered in Power on hire to customers which is called Hire Power. After Hire Power he entered in solving the issues of Generator spare parts. He started rendering service to his customers of all types of Generator spare parts under one roof called Trade Power.

His vision was to provide complete power solution under one roof of SAINI INDIA LIMITED.

**Rakesh S. Saini**  
(Chairman)

My journey started in 1994 under the guidance of my father and Founder Chairperson Late. Shri S.L. Saini in power industry of SAINI INDIA LIMITED.

I understand the major Power problems and solutions of Gujarat Industries they are facing presently. Under the supervision of my father we achieved solutions through our various verticals like Marine Power, Hire Power, Trade Power and Power Repower.

After successful solving the power problems of Gujarat State through the Power Generators I entered in Engineering and Construction field in 2008.

I believe we achieved our benchmark with new technology and resources for Power, Engineering and Construction Industries. So we focus on new technologies and resources time to time in engineering world for providing better quality on time to our clients

I thankful to all our beloved customers to support us to make a successful organisation.

## **CORE VALUES**

### **DIESEL GENERATOR SET ON HIRE**

#### **Integrity –**

We employ the highest ethical standards and believe that our continued success is based upon sustaining the relationships that keep our business growing. We believe that open and honest communication is vital to the lasting success of the firm.

#### **Efficiency –**

We remain accountable to our clients for the efficient execution of any project. We will work to identify and execute cost savings wherever we can.

#### **Teamwork –**

Our philosophy is that each team member plays an important role in our company by providing individual expertise and a distinctive perspective to each project that they are involved in.

#### **Professionalism –**

In providing professional service we are dedicated to competence, dependability and excellence. We believe that our projects are a reflection of who we are as a company.

#### **Sustainability –**

We improve the quality of life in communities where we work by respecting local cultures, engaging local people, and protecting the environment.

# POWER COMPLETE POWER SOLUTION

## OUR FACILITIES

- 24x7x365 Available
- Showroom
- Workshop
- Spare Parts Store
- On Site Break Down Service

### Hire Power

Diesel Generator Sets on Hire up to 3000 KVA & Construction Equipment On Hire

### Marine Power

We Supply Slow Speed Generator Set as F.O Based Fuel like Sulzer, Skl Wartsila, MAAN, B&W, Skoda, Brazen

### Power Re Power

AMC, O&M, Major & Overhauling of All Kind of Diesel Generator Sets and Construction Equipment

### Trade Power

Stockist of All Kind of Diesel Engines Parts, Construction Equipment Parts & Electricals item, We have a stock of Refurbished Gensets up to 3000Kva Full overhauling of engine with Replace New parts, New Canopy, New Battery, New Auto On/of Logic Panel

### Insu-Gen Power

Annual Maintenance Contract (AMC) and O&M Operation and Maintenance of all Types of Diesel Generators

### Soundless Power

We are dealing in brand new generator sets. up to 3000KVA. Acoustic enclosure for all size of generator sets and we manufacture and supply as per customer requirements

# HIRER POWER

NO IF NO, BUT, POWER FATAAFAT

We are well equipped to supply Ready Power within an Hour's time. In order to supply any type of Generator on Hire, we maintain a stock of slow and high speed- Mobile Generators in the range of 10 KVA to 500KVA and Mounting Generators in the range of 50 to 3000KVA. These generator are based on various fuel like LDO, HSD, NATURAL GAS, HFO, ETC,. Due to which we are able to cater the demand of client.

## CONSTRUCTION EQUIPMENTS

- BATCHING PLANT
- BOOM PLACER
- GANTRY CRANES ALL SIZE
- MANLIFT
- TOWER CRANE

As on client requirement we provide customised equipment on Hire.

# MARINE POWER

SAINI INDIA LIMITED is Dealer, Stockist and resellers for various Marine Power Generators and Spare parts.

As an eminent Name in the arena of Power Generation, Saini has been ruling The Company started in 1989, in Surat City, Gujarat State, INDIA Headed by its Founder / Chairman Shri. S.L. Saini, the entire business affair of the group have been looked after by the family members supported by a 200+ strong team consists of efficient and dedicated technicians.

Besides these activities, the group is now emerging as a provider of Total Power Solutions on the basis of Turkey for small and mid-sized Captive Power Plants, ranging from 1.0 MW to 11.0 MW.

Our company has supplied 750 Marine Slow speed Generator set in different kind of industries like Textile, Chemical, Steel Plant, Cement Plant, POY, in entire India.

Our Company have very Good Experience in overhauling of all kind Diesel Generator like Sulzer, SKL, WARTSILA, MAAN, B&W, SKODA, PILLISTIC, BERGEN, as well high Speed Like Cummins, Caterpillar, Komatsu, Ashok Leyland, Volvo Penta, and all kind of slow and high speed Diesel and HFO Engine and Generator sets.

We provide Services like 24X7X365 our maintenance team is ready in any emergency breakdown or any preventive servicing etc for rapid action.

Engine overhauling Team: - 4 Sr. Technician, 12 Semi Technician, 20 Helpers

In the expansive field of Sales and Services, Saini Group is being operated from various locations to cater to the customer requirements anywhere within a short time-span.

Dedicated Migrant Teams aka DMTs have been appointed to serve the esteemed clients from other cities. This team consists of a pool of efficient engineers, fitters and electrician. Enormous success and potential of the team is reflected through the enviable list of our clientele.

Our role is buying/ Stock/ Sell/ trading all kinds used Marine Generators and Marine Machinery, Industrial Power Plants & Auxiliaries. We procure complete units & on customer request.

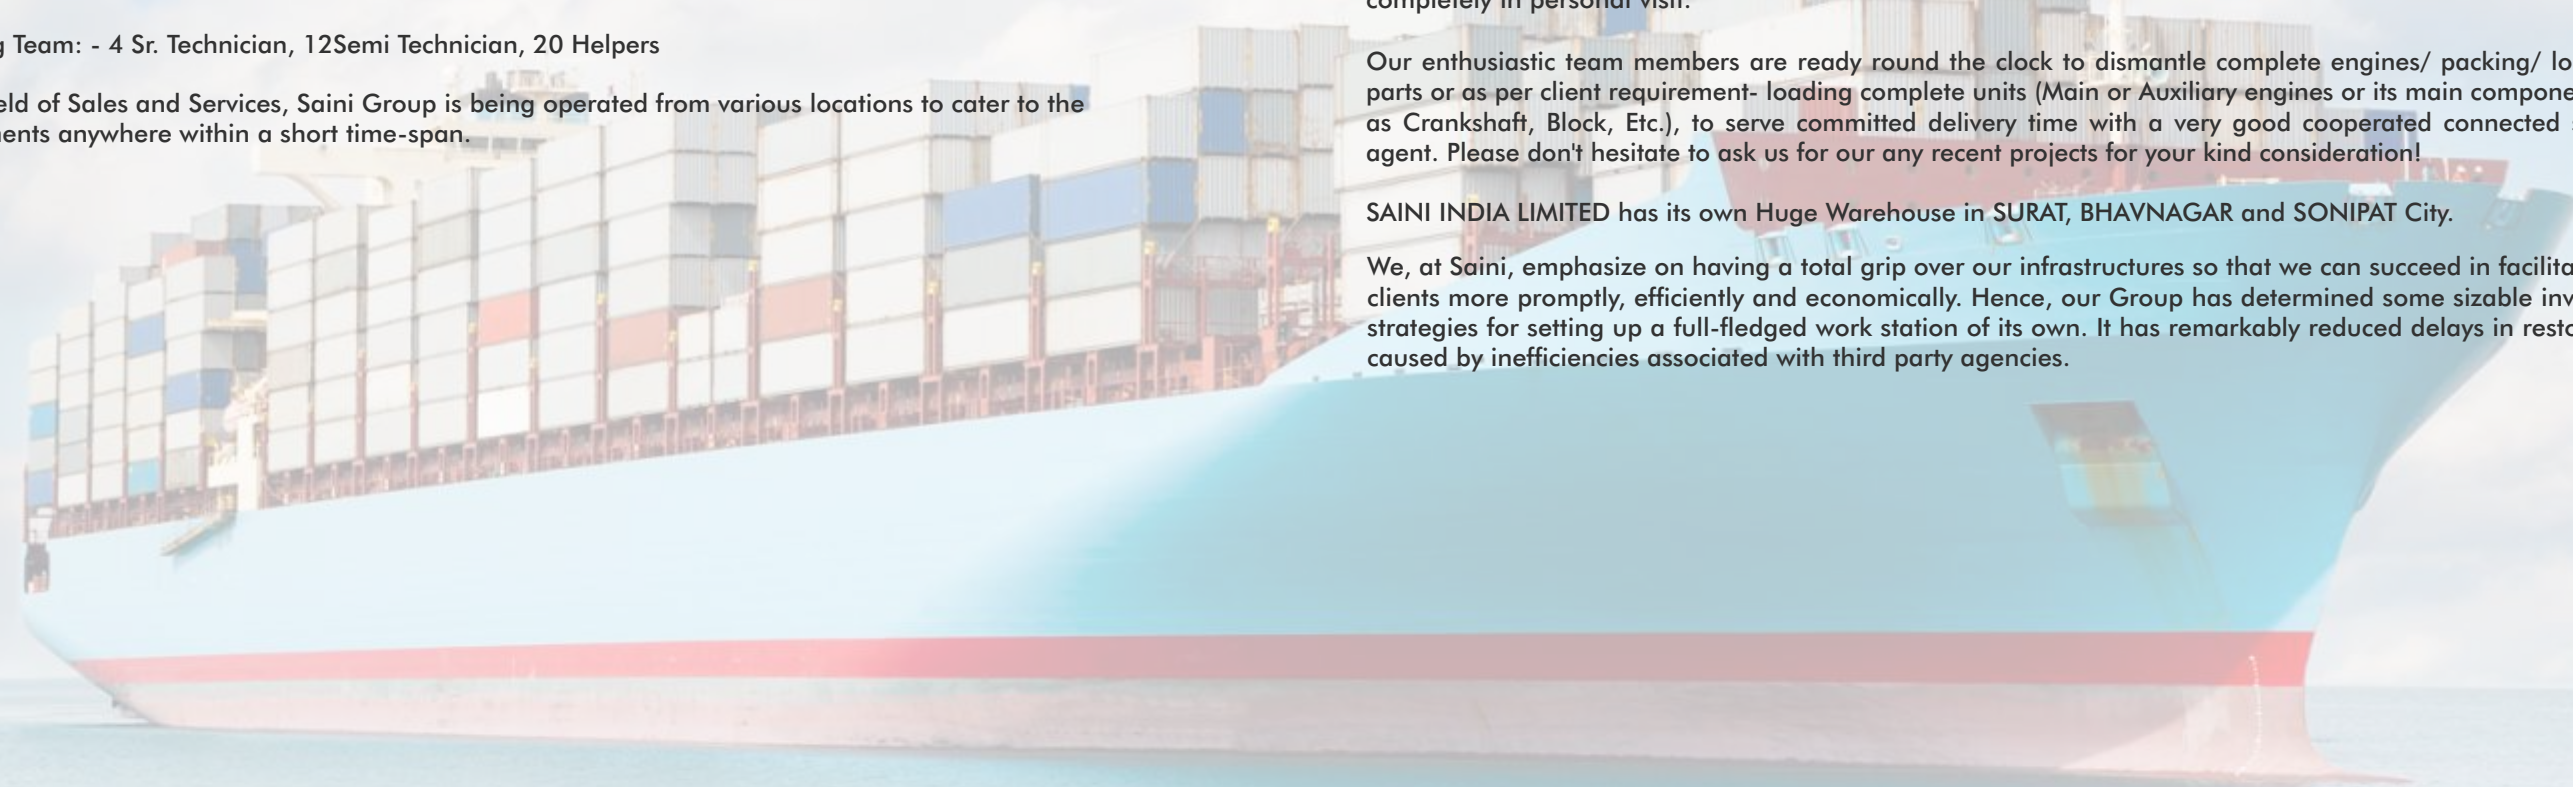

Our team are able to dismantle Generators & Engines to source its main components from O-ring to complete units including Cylinder covers (Heads), Cylinder Liners, Pistons, Connecting Rods, Fuel Injection Pumps, Camshaft pieces, Cylinder block, Bedplate, Turbochargers, Engine Hydraulic tools, Etc. We are Not a Manufacturer, but we recycle the parts which are in technically reusable Condition & as a result our parts are Genuine / OEM.

Considering present ERA, We always ask customers to visit our place personally for Complete Component Inspection at our end before They Pay, Satisfactory to inspection, we pack & load same in front of his own presence, SATISFIES both of us & always strikes successful deals & future long-term business relationship which achieved us reputation as "a well-known professional company in market"! Have to adopt this idea frankly / clearly to prove the actual ownership & profitable business and the very good benefit is Buyer satisfies self completely in personal visit.

Our enthusiastic team members are ready round the clock to dismantle complete engines/ packing/ loading in parts or as per client requirement- loading complete units (Main or Auxiliary engines or its main components such as Crankshaft, Block, Etc.), to serve committed delivery time with a very good cooperated connected shipping agent. Please don't hesitate to ask us for our any recent projects for your kind consideration!

SAINI INDIA LIMITED has its own Huge Warehouse in SURAT, BHAVNAGAR and SONIPAT City.

We, at Saini, emphasize on having a total grip over our infrastructures so that we can succeed in facilitating our clients more promptly, efficiently and economically. Hence, our Group has determined some sizable investment strategies for setting up a full-fledged work station of its own. It has remarkably reduced delays in restorations, caused by inefficiencies associated with third party agencies.
